IN THE MATTER OF THE SUSPENSION OR
REVOCATION OF

MARY ROBACK, LPN
License No. 26NP03678000

TO PRACTICE NURSING
IN THE STATE OF NEW JERSEY

Administrative Action

FINAL CONSENT ORDER

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of information which revealed that Mary Roback, ("Respondent"), a Licensed Practical Nurse in the State of New Jersey, administered an inadequate amount of the flu vaccine to sixty-seven (67) patients using two (2) single-use syringes.

Upon review of the information, the Board finds that Respondent engaged in acts constituting violations of N.J.S.A. 45:1-21 (c) and (d) (gross negligence, malpractice or incompetence, and/or repeated acts of negligence, malpractice or incompetence) and 45:1-21(e)

(professional misconduct). Such conduct evidences that Respondent is a danger to the public warranting a revocation of her license to practice nursing in the State of New Jersey.

The parties being desirous of entering into a final resolution of this matter, and it appearing that Respondent has read the terms of the within Order and understands their meaning and effect and consents to be bound by same, and the Board finds that the within disposition is adequately protective of the public health, safety and welfare, and for good cause shown,

IT IS, therefore, on this 18th day of August, 2016,

ORDERED THAT:

1. The license to practice as a Licensed Practical Nurse in the State of New Jersey, issued to Respondent, Mary Roback, is hereby voluntarily surrendered, to be deemed a revocation with prejudice to future reapplication.
2. The parties hereby stipulate that entry of this Order is without prejudice to further action, investigation, and prosecution by this Board, the Acting Attorney General, the Drug Control Unit, the Director of the Division of Consumer Affairs or other law enforcement entities resulting from Respondent's conduct prior to the entry of this Order. The Board shall retain jurisdiction to enforce the terms of this Order. Upon receipt of any reliable information indicating that Respondent has violated any term of this Order, the Board reserves the right to bring further disciplinary action.
3. Respondent has been specifically informed that she may consult an attorney to represent her in this matter. Respondent acknowledges that she has been advised of the ability to consult with counsel and that she chooses to voluntarily enter into this Final Consent Order.
